## BELMOND VILLA MARGHERITA: AN INVITATION TO VISIT

*Belmond celebrates the opening of Belmond Villa Margherita,  
a luxury guesthouse in the heart of the Divine Amalfi Coast*

The Amalfi Coast is always a good idea. Travelers who head to the Divina this summer hoping to discover something different have a new place to go and make their favourite: Belmond Villa Margherita, an elegant 200 square meters summer house, that offers a delightful hideaway from the buzzing coastline and combines Belmond iconic hospitality with the right mix of privacy, home comforts, uncompromised luxury and *a la carte* services.

Located in a privileged position, right close to Ravello's main strategic points of interest and surrounded by lush fragrant gardens, both the suites emulate the feeling of a private residence and emanate a Mediterranean charm, with characteristic interiors, enhanced by antique 19th-century tiles, Vietri ceramics and stunning views.

### DESIGN PROJECT

Projected by interior designer Eric Egan, the Villa comprises 2 fully equipped suites (Belvedere and Miramare) featuring custom hand-painted murals, antique terracotta, hand-scraped hardwood floors alongside with a collection of traditional furnishings including 1800's Neapolitan pieces, Fortuny fabrics and vintage textiles.

Designed with personalization in mind, the Villa offers the ideal setting to experience the best of the territory pampered by the attention of a private butler - who with a full day service is ready to take care of all the needs of guests - and a personal chef.

### **A PLACE TO LIVE LOVE AND LAUGH TOGETHER**

Ideal for families, each suite features a master bedroom, spacious living room – easily transformed into a second sleeping area – and two bathrooms; each with freestanding tubs imported from England (Drummonds) and 30cm oversized rain shower heads in the walk-in showers.

For larger groups and unforgettable celebrations, both the suites can be reserved to have Belmond Villa Margherita on an exclusive basis, making it the perfect setting to host outdoor intimate receptions, dinner parties or afternoon tea overlooking the Amalfi bay. A true home away from home where to organize fantastical events such as aperitif with the barman that creates cocktail live; a special dinner on the rooftop under the moon twinkling light with one long table that fits all; a night for two inside a bubble while staring at the stars.

Finally, all guests of Belmond Villa Margherita can simply stroll up the road up to savour the breathtaking restaurants, bars, spa and infinity pool of Belmond's renowned Ravello Hotel as well as get the best tips and suggestions by the Hotel Concierge, always on hand.

### **ANECTODES AND FUN FACTS**

The entrance to the Villa used to be the portal to the ancient church of Villa Margherita, a certified church even today, which had the horse stables on the lower floor for the pilgrims coming to pray – and the current garden in front of the hotel was a hazelnut field suspended on the infinity of the coast below;

If you relax on top of the Villa rooftop, you are literally sitting in one of Ravello highest spot (1050 feet above sea level);

In the lush Villa gardens, guest can find together with the various essences of the Mediterranean scrubs such as lavender, rosemary, thyme, olives etc;

Belmond Villa Margherita is the best spot in town where you 'can see' without being seen (ask Justin Bieber for a reference);

A private spot on the Amalfi Coast where there is a full day Butler service, Security service, a personal Chef at disposal and the warranty of an internationally well-known service.
