Belmond Mount Nelson Hotel appoints Victoria Hut as Director of Sales and Marketing

May 2020; Belmond Mount Nelson is happy to announce the appointment of Victoria Hut as Director of Sales and Marketing, and she in turn is even happier in her new role, sharing the many attributes of Cape Town's legendary pink hotel - its iconic history, magnificent gardens, charming ambience, perfect location and unique accommodations, as well as the long-standing staff, many of whom have been with the hotel for over twenty years.

Victoria is no newcomer to the property, as she recently celebrated her ten year anniversary with Belmond Mount Nelson. Starting as a Banqueting Co-ordinator, she worked her way up to Group Supervisor, Group Sales Manager, Leisure Sales Manager and until her recent appointment she was the Associate Director of Sales.

When Victoria takes time out to relax, you are likely to find her sipping wine in the Constantia Valley, or escaping to the mountains of Montagu... where you can also find delicious Montagu Muscadel.
