Art from dusk til dawn

March 2019 – As the season is ready to start, on March 21st the magical haven of La Residencia, A Belmond Hotel, nestled in the majestic Tramuntana mountains will open its doors again! Among other exciting new proposals for 2019, the hotel is calling all art lovers who feel like experiencing a different kind of day and indulge in an art related program from dusk til dawn...

8.00hrs

Wake up to an artistic dream – Designer-Suite No. 67

Open your eyes under the starry sky ceiling of the delightful Suite 67 created by acclaimed British designer Matthew Williamson in 2018. A true work of art in itself it oozes a rustic kind of decadence, featuring lively colours and playful designs. Enjoy an opulent breakfast on the pool terrace with its Palm Spring vibes...

9.30hrs

Hotel or museum? Get lost in a private collection

Are you ready? Grab your new Matthew Williamson notebook to write down all interesting & fun facts you might learn today and go on a tour of the history-steeped hotel buildings. Just walking their corridors you will already be in awe looking at the 800 paintings belonging to the Sheridan collection that enhances its walls.

10.30hrs

Get out your artistic side - Plein-Air art classes above the ocean

Make sure you have your walking shoes when you tackle the breathtakingly beautiful cliffs above the bay of Deià. In an amazing spot towering over the sea with endless views on the horizon and the afforested coastline,

paintbrush in hand you will take part in a private Art class with the charming Manuella, a young, enthusiastic artist who lives in the enchanting village. It will be easy to feel inspired by the special Mediterranean light just like all the artists did who already came to this artistic hub of the island at the beginning of the 20th century!

13.30hrs

Recharge your batteries among sculptures

With wind in your hair and a heart full of creativity you will also need to fill your stomach upon return. What better way than to enjoy a late lunch (as in Spain) in form of a unique afternoon tea served on the pretty Miró signature-designed tea service manufactured exclusively for Belmond La Residencia. Enjoy this colorful, culinary delight seated in the quiet lower garden surrounded by sculptures.

15.30hrs

Knock at the door of an artist's home

Join an exclusive Walk&Talk with the hotel's curator Cecilie Sheridan, a truly inspiring lady who will have a story or two to tell if she gets a word in when entering the houses of some of the most iconic artists who made Deià their home. Take La Residencia's neighbor David Templeton for example who moved here in 1978 and will for sure engage you in conversation or even give you a taste of his musical talents being a member of the infamous Pa'amb Oli Band who plays at the hotel during their legendary Summer concert.

17.30hrs

Refresh and reflect

Rest (or maybe a quick dive into the pool?) and prepare for the evening in your Suite, a calming home-away-from home.

18.30hrs

100% Miró - an aperitif among originals

Get into the mood with a pre-dinner drink in Café Miró, the hotel's bistro named in the artist's honour which showcases 33 original Miró artworks. You will be fascinated by this intimate viewing which represents the largest exhibition of Miró paintings on display in a hotel anywhere in the world.

19.00hrs

Wrapping up the day in style – "Art & Dine"

On this gastronomic journey you will be drawn further into the world of sculptures and paintings as well as the artist's passion and creativity while enjoying exquisite cuisine... Sipping Café Miró's tasty Gin-infused signature cocktail next to its eponym original sculpture La Tête is only the kickoff to this dynamic and interactive dinner experience around the premises - surprises shall be expected!
