MIRAFLORES PARK REOPENS ITS DOORS

Lima, October 2020 – Miraflores Park, the most luxury hotel located in the heart of Miraflores, reopened its doors again to reconnect with its clients and guests.

With 20 years of solid presence in the luxury hotel market in our country, this iconic hotel invites its guests to reconnect with the most beautiful sunsets in Lima and live unforgettable moments such as enjoying a unique view of the Pacific Ocean from the terrace from the 11th floor accompanied by a glass of champagne.

Under the concept of a new normality, Miraflores Park has implemented strict biosecurity protocols supported by the international certifier SGS, to take care of the health of its guests and also of its collaborators. There will be capacity control in public areas, 24-hour medical attention, in addition to the delivery of security kits and anti-touch key fob.

Likewise, the use of technology has been incorporated through an application that helps reduce the risks of contact by providing immediate information on hotel services, streamlining the check-in and check-out processes without losing the essence of the service.

This new beginning has made it possible to prioritize the intimate and private approach to experiences within the hotel, as well as activities designed to be enjoyed outdoors and as a family or couples such as a family cinema, a private dinner by the pool, an artistic tour at sunrise along the Malecón and the gastronomic and cocktail proposal of the Tragaluz restaurant.

Miraflores Park represents the best alternative to relax and let yourself be pampered with your partner, family or friends looking for a unique, safe and exceptional getaway in Lima.
