

# BELMOND AND APARTAMENTO LAUNCH *LIGURIA: RECIPES & WANDERINGS ALONG THE ITALIAN RIVIERA*

A NEW COOKBOOK CELEBRATING THE CULINARY HERITAGE OF LIGURIA, ITALY

**JULY 2024** – Apartamento and Belmond are thrilled to announce the release of *Liguria: Recipes & Wanderings Along the Italian Riviera*. This cookbook and photo essay is the first of a new series, *Recipes & Wanderings*, that melds the vibrant traditions of regional cuisines from around the world with artistic perspectives from renowned photographers and writers.

*Liguria: Recipes & Wanderings Along the Italian Riviera* features stunning photography by **Laura Jane Coulson**, offering readers a visual journey through Liguria's beautiful landscapes. Complementing the imagery are essays by celebrated writers and chefs **Luca Cesari**, **Andy Baraghani**, and **Gilda Bruno**, lending historical context to the volume's stunning views. Woven in with the texts are 22 recipes by **Chef Corrado Corti** who has run the kitchens at Splendido since 1999, alongside two guest recipes by past Apartamento contributors **Max Rocha** and **Fanny Singer**, and an introduction by **Ruth Rogers**, each sharing insights into their personal relationship with this region's rich cultural and culinary heritage.

The cookbook delves into the heart of Ligurian cuisine, presenting authentic recipes inspired by the kitchens of Splendido and Splendido Mare, both Belmond Hotels in Portofino; from the aromatic **Pesto Genovese** and classic **Focaccia Genovese** to the refreshing **Portofino Spritz**, each recipe is a testament to the region's gastronomic excellence and commitment to local sourcing.

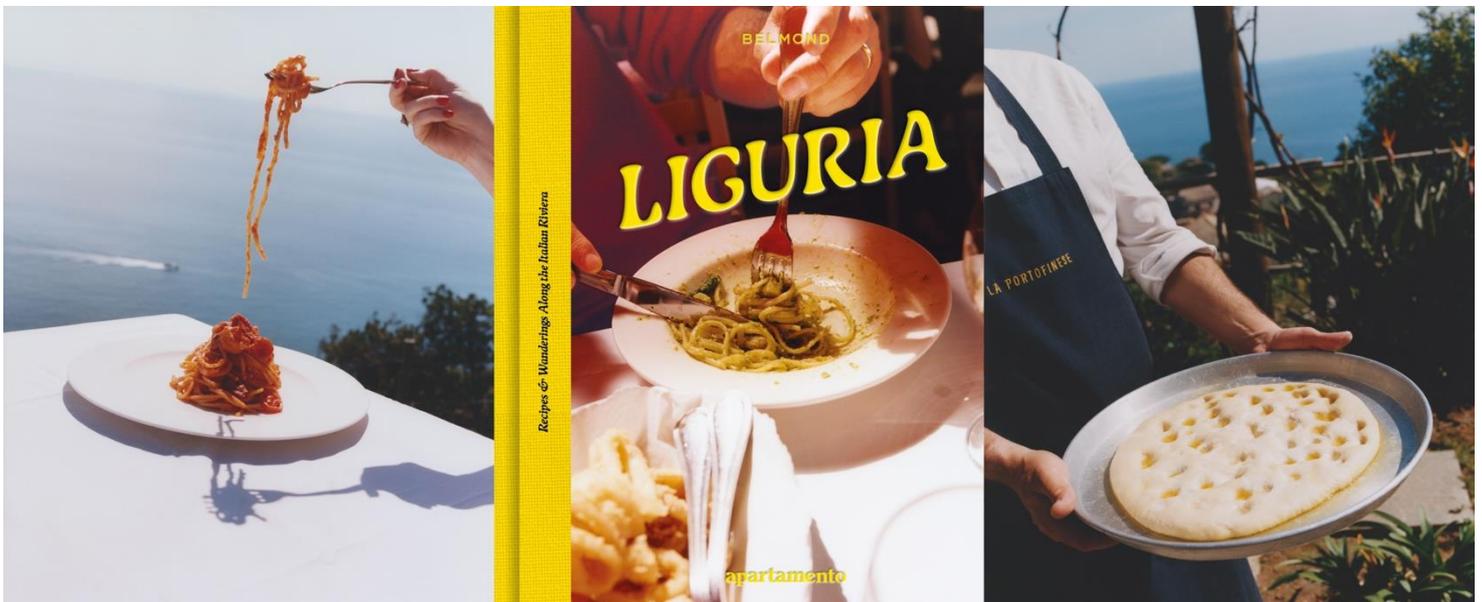

**BELMOND**

The book explores core contributors to the region's culinary community, such as La Portofinese Eco-Farm and the historic Antica Confetteria shop, which not only provide Belmond's Splendido and Splendido Mare hotels with delicious products, but are unique to Liguria's history. Here, the chefs are committed to drawing from the surrounding land, treasuring the famous **Genovese basil** grown on the hills of **Prà**, which is also featured in the book and found across every menu in the hotels, from breakfast, lunch, and dinner.

Embracing a community-driven approach, *Liguria* brings together a range of voices to present a multifaceted view of the Italian Riviera and aims to create a deeper connection with the culinary traditions and stories of Liguria.

The book is available worldwide through [Apartamento's website](#) and extensive distribution network.

Belmond was born from a passion for connecting discerning travellers with the world's most remarkable properties, locations and journeys. From hotels and trains to river cruises and safaris, Belmond curates incomparable experiences and crafts unforgettable stories. With a legacy spanning over 45 years, since the acquisition of Hotel Cipriani in Venice in 1976, Belmond has grown into a global collection of 47 properties spread across 28 countries and territories. Exceptional destinations connected by legendary journeys are the very soul of Belmond, where the path that brings you to a place is as important as the destination itself. A pioneer of slow travel, Belmond has been operating the Venice Simplon-Orient-Express since 1982. The group later expanded to include pristine beach resorts, such as Maroma on the Riviera Maya, historic hideaways such as Villa San Michele in the Florentine foothills, urbane icons, such as Copacabana Palace in Rio de Janeiro, and gateways to UNESCO world heritage sites, such as Hotel das Cataratas in Brazil's Iguassu National Park. As proud custodians of storied properties, Belmond is committed to building on the past to create a new legacy: the heritage of the future. Working with communities and local talents, together with the world's most respected chefs, designers and artists, Belmond continues its purpose of perpetuating the legendary art of travel.
