#### CHEF JEAN IMBERT

Chef Jean Imbert blends the Venice Simplon-Orient-Express' rich heritage with his own passion for fresh seasonal produce to create moments of culinary perfection in motion. #### ÉTOILE DU NORD

The Étoile du Nord dining car was built in 1926 and showcases some of the most storied marquetry in the continental rake. It ran with the Étoile du Nord service from Paris, before joining the Lusitania Express from Lisbon to Madrid, and finishing service in the 1970s. Now restored to its former glory, the Étoile du Nord is one of our star carriages.

#### CÔTE D'AZUR

Famed for its stunning René Lalique glass, the Côte d'Azur dining car was built in 1929 and was for many years a staple of winter journeys between Paris and Calais. By 1961, the carriage found itself in a reserve pool and was stored at the Wagons-Lits works at Villeneuve, until being rescued and restored by Venice Simplon-Orient-Express in 1981.

#### L'ORIENTAL

Built in Birmingham in 1927 in the Etoile du Nord style, the L'Oriental dining car ran a luxurious service between Paris and Amsterdam for many years before joining the famed Lusitania Express. When purchased for the Venice Simplon-Orient-Express, the car was restored and refitted with black lacquer panels befitting of its legendary status.

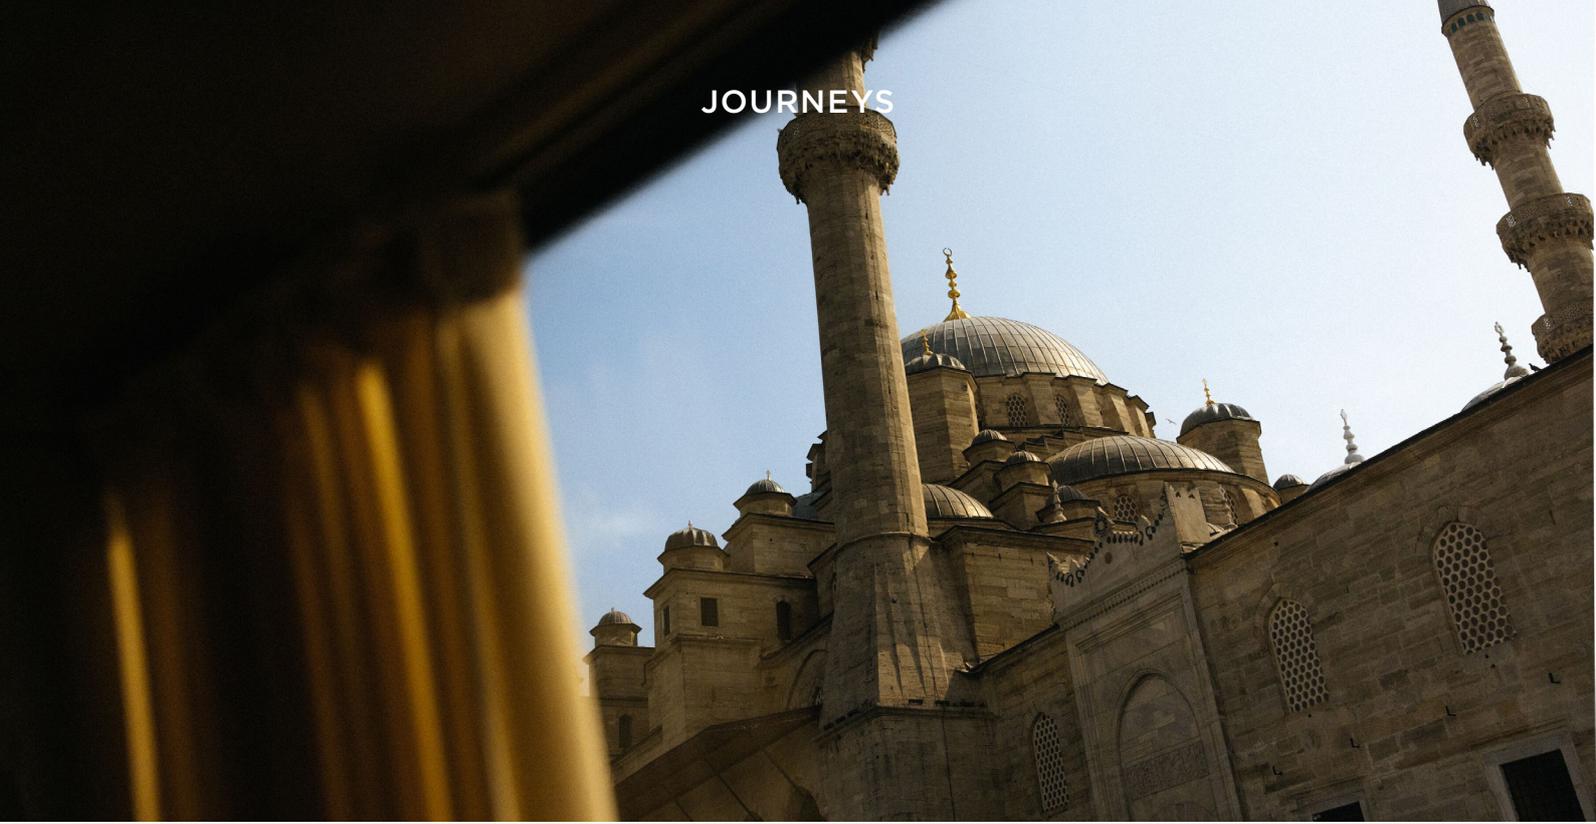

### LIFE ON-BOARD

#### BAR CAR '3674'

Welcome to the heart of our train, where bon viveurs meet over cocktails and the twinkling ivories of our resident pianist. By night expect convivial encounters and a Midnight Brunch that winds long into the night.
