CAP JULUCA, A BELMOND HOTEL, ANGUILLA LAUNCHES A NEW SPA IN PARTNERSHIP WITH GUERLAIN

JUNE 2023 - Cap Juluca, A Belmond Hotel, Anguilla, an exclusive oasis on the pristine sands of the island's famed platinum beach, is delighted to announce the upcoming launch of the property's new spa in collaboration with Guerlain. Debuting late 2023, Cap Juluca Spa by Guerlain will draw inspiration from Anguilla's earliest inhabitants, the indigenous Arawak tribe who celebrated the renewal and rejuvenation of each new day, while offering a harmonious connection with nature and a rebalance of energy. A private hideaway located in the most coveted sanctuary of the dazzling shores of Anguilla, this secluded wellness paradise will be a haven of relaxation, where guests will enjoy a collection of Guerlain rituals exclusive to the iconic resort.

HOLISTIC WELLNESS AND UNPARALLELED TREATMENTS

Cap Juluca Spa by Guerlain will offer a combination of traditional and innovative treatments that stay true to Guerlain's multisensory and holistic approach, as well as experiences created specifically in harmony with the atmosphere, culture, and activities of Anguilla. Guests will enjoy a comprehensive menu of exclusive Guerlain treatments that reflect the tranquil ambiance and enchantment of the Caribbean. Each Guerlain treatment is an essential moment of self-indulgence, where every sense is awakened by the spa's highly attentive Beauty Experts who are meticulously trained in Guerlain rituals, creating an ambiance that fosters profound transformation and rejuvenation paired with Cap Juluca's warm and genuine hospitality.

INCOMPARABLE DESIGN, INSPIRED BY NATURE

Designed by renowned design studio, Rottet Studio, Cap Juluca Spa by Guerlain invites visitors to reconnect with nature amongst the cerulean sea and a meandering landscape of lush botanicals and untamed winding garden paths. Guests are greeted by an open-air courtyard adorned with exquisite emerald mosaic patterns and a central fountain, framed by an abundance of tropical foliage. The inviting, light-filled reception provides an instant sense of calm, featuring neutral earth tones and mahogany cabinets with cane detailing. A sanctuary of senses, the private treatment rooms boast wide ocean views of Cap Juluca's famed crescent beach paired with cerused and bleached white oak, limestone flooring, and rough-cut limestone basins.

Spa guests will have plenty of tranquil spaces to relax and unwind post-treatment, from the sun-soaked pool deck to the peaceful solarium. The Calichi Garden, invoking the sacred Arawak fountain, is the ceremonial soul of the spa, offering the perfect ambiance for private moments and refreshing plunge pool dips.

WHOLENESS: BEYOND THE SPA WALLS

Located along the intimate shores of Maundays Bay, Cap Juluca's beach is widely recognized as the best beach in the Caribbean, offering guests a haven for total relaxation and well-being. The introduction of Cap Juluca Spa by Guerlain will allow guests to experience firsthand one of the many ways the enchanting beachfront property has reimagined how guests experience wholeness, creating a world that entwines wellness with travel. After indulging in sublime relaxation, guests can complement their spa experience with soulful sporting activities, from sailing across Cap Juluca's famed shoreline and horseback riding on the beach to engaging in a friendly match on the resort's brand-new pickleball courts or keeping fit in style at the state-of-the-art fitness centre.

From 9 - 16 August 2023, Cap Juluca will debut the fourth edition of its "Play Like a Pro" academy in partnership with LUX Tennis, where guests will have the opportunity to participate in an exhilarating itinerary of private lessons, youth tennis clinics and a beach tennis exhibition on the shores of the breathtaking Maundays Bay, all led by famed professional tennis players Tommy Haas and Nicolas Pietrangeli. Guests seeking experiences that incorporate elements of mindfulness, nutrition, and longevity activation can take advantage of the resort's Wellness Series, which ranges from must-visit yogis, nutritionists, and plant-based chefs in the pursuit of holistic wellbeing.

ENDS

Cap Juluca Spa by Guerlain will be open daily from 10:00 am to 6:00 pm. For more information or to make a reservation, please contact cap.hostdesk@belmond.com or visit belmond.com/capjuluca.

ABOUT ROTTET STUDIO

Rottet Studio is an international architecture and design firm with an extensive portfolio of corporate, hospitality, residential and maritime projects for the world's leading companies and brands and widely regarded as one of the finest design practices in the world. Founded in 2008 by Hall of Fame architect and designer Lauren Rottet, the WBE-certified firm has more than 70 million square feet of built design experience and is celebrated for their ability to deliver stunning, functional, timeless and unique places which promote a better way of life through the built environment. Rottet Studio is well-known as innovators, not followers. The firm philosophy is based on the notion that all aspects of life should be designed and that each design should evoke an authentic sense of place that swells an emotional response which can never be reimagined. Reflecting a desire to offer good design to all and improve the human experience through the built environment, Rottet Studio provides thoughtful design and precise details to deliver environments that not only satisfy clients' needs and goals but allow them to achieve a level of enjoyment and success beyond their expectations. Rottet Studio is recognized as one of the Top 3 Most Admired Design Firms in the World by a jury of our peers and has an extensive list of top award-winning projects, furniture and product designs. The firm consistently ranks among the Inc. 5000 Private Companies and Interior Design magazine's Top 100 Corporate and Hospitality Design Giants and is an outspoken advocate for Be Original, a national non-profit committed to informing, educating and influencing design-industry professionals and consumers about the economic, ethical and environmental value of authentic design.

Rottet Studio's principals have worked together for over 35 years and have gathered a talented group of long-term associates and industry-leading design professionals. The staff includes a large percentage of registered Architects and Interior Designers as well as specialists in conceiving and ideation who offer a broad range of services including building architecture; interior architecture and design; site planning and landscaping; product design; graphic design; branding; and art curation. With best-of-class design professionals in Austin, Denver, Houston, Los Angeles and New York, Rottet Studio is ideally positioned, both geographically and professionally, to help achieve your design and financial goals.
