### VEUVE CLICQUOT SOLAIRE JOURNEY ON BOARD THE EASTERN & ORIENTAL EXPRESS

The Eastern & Oriental Express and leading Champagne Maison, Veuve Clicquot invite travellers on a bespoke Solaire Journey inspired by the pioneering spirit of Madame Clicquot and the *joie de vivre* embodied by the champagne's yellow label. This railway experience blends champagne and culinary excellences with a dash of adventure as guests whiz through the wonders of Malaysia and explore the 130-million-year-old Taman Negara National Park. Only on this trip, guests will have access to Veuve Clicquot's Cellar Master, Didier Mariotti, who will lead champagne tastings, as well as the train's Culinary Curator, André Chiang, who will design bespoke dishes to be paired with the maison's most prestigious vintages, including La Grande Dame series.

**HOW:** Veuve Clicquot's Solaire Journey runs from 22 - 25 April 2024. [Click here](#) to book.

### ROUTES OF CHANGE

Launching in March, the Eastern and Oriental Express' new Wild Malaysia itinerary, includes an excursion into the Taman Negara National Park, where guests can choose between three activities: an educational tour of the park to learn about the endangered Malayan Tigers, a wildlife photography class or an exploration of the rainforest's ancient caves. This May, a special Tiger Express journey designed with the train's partner, Save Wild Tigers, aims to raise awareness of the conservation efforts to save the Malay Tiger from extinction, contributing to the fight against illegal poaching and habitat loss. This unique journey incorporates the Wild Malaysia itinerary, concluding with two nights at The Datai in Langkawi.

### NEW DESIGN AND ELEVATED ONBOARD EXPERIENCES

The revamped Eastern & Oriental Express boasts eight sleeping carriages, two restaurants, a Piano Bar, and the open-air Observation Car. The cabins – Pullman, State, and Presidential – are air-conditioned, cherry-wood panelled sanctuaries whose designs reflect the different landscapes the train travels through. The Pullman cabins draw inspiration from Kuala Lumpur, featuring red and blue accents resembling the city's skyline, the State cabins reflect Penang's marine locale with a blue and green palette, and the Presidential Suites exude opulence with hues of gold and embroidered elements. The new in-cabin experience stimulates all senses with customisable elements, offering guests a sensory journey through scents, lights, playlists, teas, and premium bedding. Daytime encounters with locals are complemented by nightly entertainment featuring resident musicians and special acts, like the Shang Sisters, a trio known for blending Jazz tunes with Nanyang flair.
